

INSURANCE REQUIREMENTS FOR ALL RENTED EQUIPMENT

Customers have an option of providing us with a valid certificate of insurance or paying our damage – loss limit fee of 20% of the amount of rental. Commando Lighting and Grip also reserves the right to refuse rental based on lack of insurance.

A valid certificate is an original copy that is issued by customers insurance company for the current policy period. Your insurance company may fax a copy to hold an order. Original copy must be received by start of job.

- 1.** The certificate must name Commando Lighting and Grip LLC. as the certificate holder.
- 2.** Commando Lighting and Grip LLC., must be named as Additional Insured with respects to General Liability and named Loss Payee with respects to equipment rented from us.
- 3.** Customers must provide certificate for Hired/Non-Owned Auto Liability and Hired Auto Physical Damage and that an approved driver of Commando Lighting and Grip be hired to drive the truck
- 4.** The certificate must show “ All-risk replacement cost insurance for equipment rented from others, including in transit and in various locations.” The minimum amount of equipment insurance is \$125,000 with a maximum deductible of \$2500 and may be increased to cover additional rental equipment value.
